Unfinished Business

- Discussion was held in regards to the upcoming project of Propel #30. It was a meeting for the public to ask questions to our Council, a time for our Council to share what information that they might have regarding this project, and hopefully to strategize a plan to put together to share with INDOT.

With that said, Councilman Howell volunteered to draft a letter on the town's behalf to write a letter to INDOT stating that the town would be satisfied going with Package #1, a no build with minor modifications and a possible round-a-bout at 421. That letter would be approved by the Towns Attorney, and then submitted to INDOT.

Chief Jeff Mitzner also mentioned of two upcoming Propel #30 meetings that would be open for the public to attend. The first one would be at the Hanna Fire Station on February 5th, 2025 from 4:00-7:00 PM. The second one would be held at the Wanatah Fire Station on March 24th, 2025 from 4:30 PM-7:00 PM. At this meeting, there should be two representatives from Propel #30 to give a "Preliminary Only" decision of what Package they have chosen for Wanatah.
